Front-End Style Guide

Website Subject: Shamus
Pages: Landing, About, Hobbies

The website will use burgundy and black because they are Shamus's favorite colors. The design will have a dark background, readable text, simple navigation, and organized image sections.

Color Palette

Color	Hex Code	Purpose
Black	#121212	Background
Burgundy	#800020	Navigation and buttons
Light Burgundy	#A63450	Highlights
White	#F5F5F5	Text
Charcoal	#242424	Content sections

Typography

- Headings: Arial, bold
- Body Text: Arial, regular
- Navigation: Arial, bold

Design Elements

- Consistent header, navigation, and footer
- Rounded image containers and content sections
- Clear spacing between text and images
- Three pages with matching colors and fonts

Atomic Design

Atoms: Text, buttons, colors, and images.

Molecules: Navigation links and images with captions.

Organisms: Navigation bar, image gallery, and footer.

Templates: Landing, About, and Hobbies page layouts.

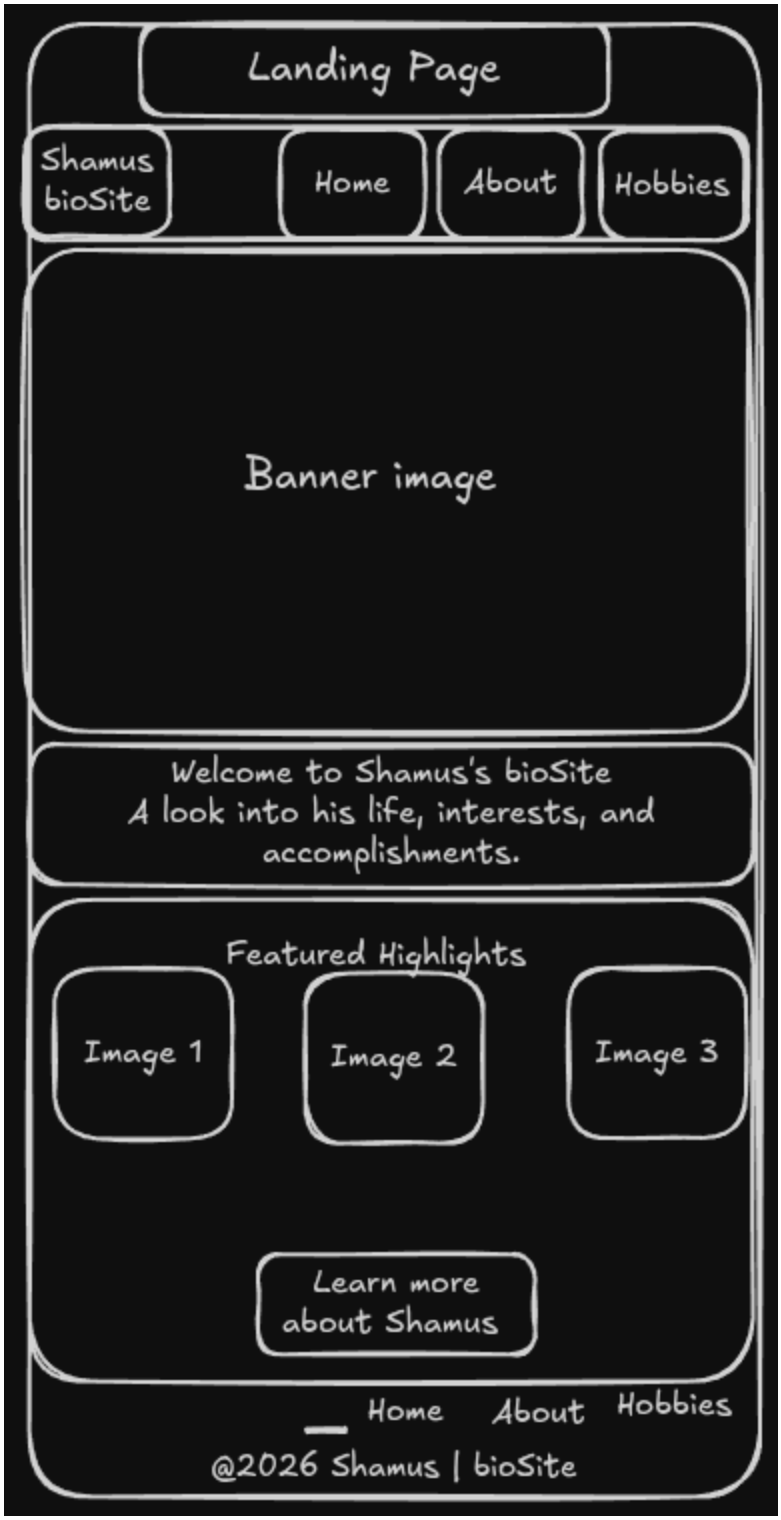

Pages: Completed pages containing Shamus's information and artwork.

Website Wireframes

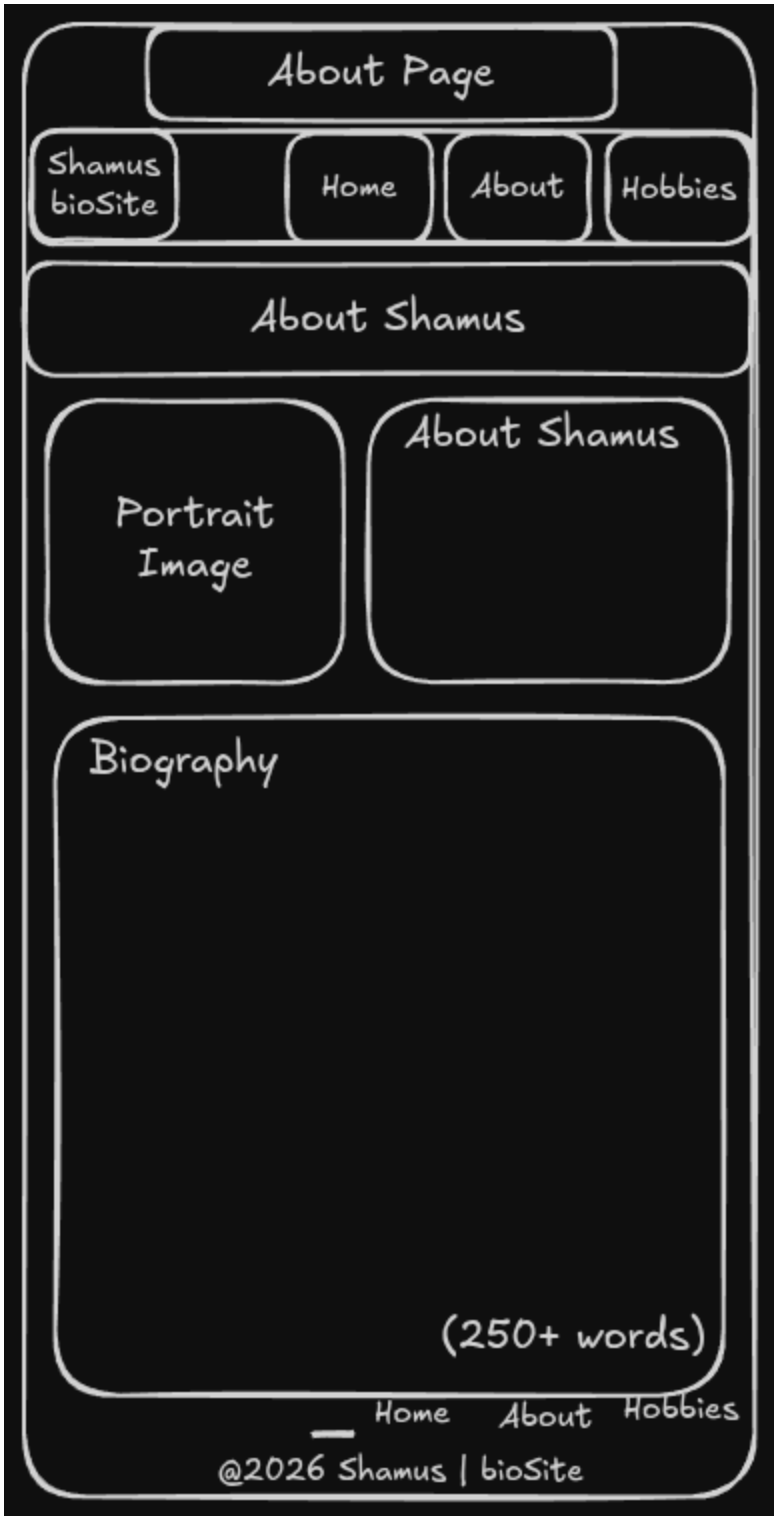

Landing Page

The Landing page will introduce Shamus with a banner, welcome message, and three featured photographs representing his accomplishments and personal goals. These photographs will show Thomas Jefferson High School, the Boys & Girls Club in Council Bluffs, and Douglas County Health Center.

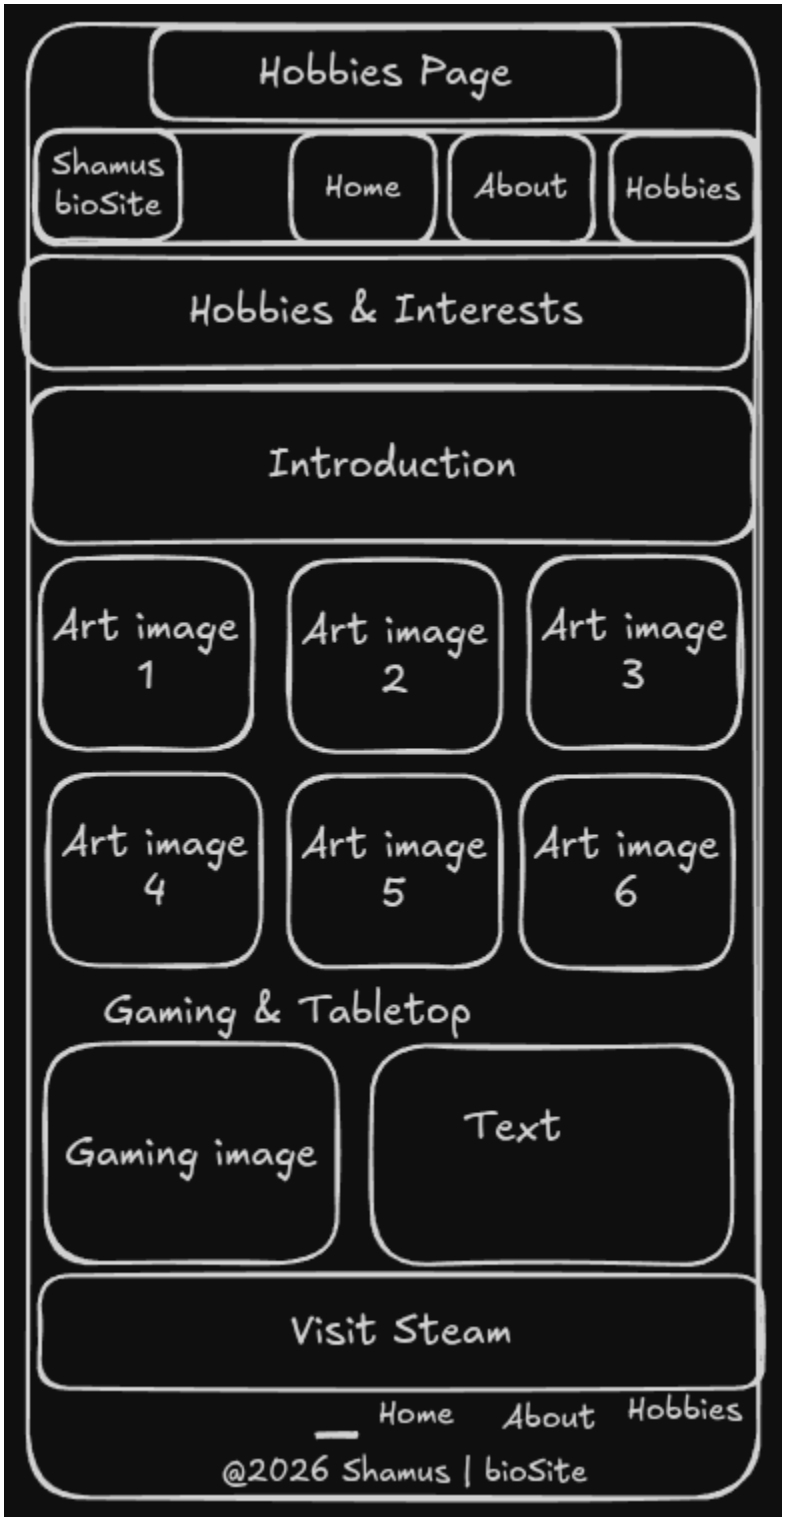

About Page

The About page will include a portrait of Shamus, a short introduction, and his biography.

Hobbies Page

The Hobbies page will display six of Shamus's drawings in an organized gallery. It will also include information about gaming and tabletop hobbies, along with a link to Steam.

Interview Questions and Responses

1. How would you describe yourself to someone who has never met you?

I'm usually quiet when meeting new people, but I don't always keep to myself. I try to be kind, helpful, and considerate. Sometimes people take advantage of my kindness because I'm willing to do more than my share. I also consider myself hardworking, reliable, and creative.

2. What are some of your favorite hobbies, and what do you enjoy most about them?

Shamus enjoys drawing, video games, and tabletop gaming. These hobbies are entertaining and help him relax. Drawing also allows him to turn ideas from his imagination into artwork.

3. How did you first become interested in your favorite hobbies?

Shamus started drawing when he was bored during class. His father introduced him to video games and tabletop gaming when he was younger.

4. What is something you have accomplished that you are especially proud of?

Shamus helped design part of an addition to Thomas Jefferson High School through Project Lead the Way. His design was later used during construction.

5. What is one goal you are currently working toward?

Shamus is working toward getting his driver's license and earning his pension at Douglas County Health Center.

6. What kind of work, school, or life experiences have had the biggest influence on you?

As a teenager, Shamus won money from art competitions and donated it to the Boys & Girls Club in Council Bluffs, Iowa. His donations helped the club pay its rent and remain open. Because of his contributions, he was later allowed to attend without paying admission.

7. What skills or talents do you think best represent you?

Shamus describes himself as artistic, thoughtful, resourceful, calm, and hardworking.

8. What challenges have helped you grow or learn something important about yourself?

Shamus experienced a difficult childhood and often felt like an outcast at school. Instead of letting those experiences change how he treated people, he chose to remain kind and helpful.

9. What do you enjoy creating, collecting, learning about, or spending your free time doing?

Shamus enjoys playing role-playing, strategy, and science fiction games on Steam. He also plays horror games like Phasmophobia with his girlfriend. Although they often scare him, they enjoy playing together.

10. What is something you would want someone visiting a website about you to understand or remember about you?

Shamus believes that people can choose their own destiny, regardless of the challenges they experience.

Biography: About Shamus

Shamus is a kind, creative, and hardworking person who enjoys drawing, video games, and tabletop gaming. He can be quiet when meeting new people, but he enjoys helping others and tries to treat everyone with respect. He considers himself dependable, thoughtful, and resourceful.

Shamus became interested in drawing when he was younger. He often sketched during class when he was bored. Over time, drawing became one of his favorite hobbies. He enjoys creating original characters, abstract designs, and fantasy creatures using ideas from his imagination.

His father introduced him to video games and tabletop gaming when he was young. Today, Shamus enjoys playing role-playing, strategy, and science fiction games on Steam. He also plays horror games with his girlfriend, even though they scare him. Games like Phasmophobia often make him jump or scream while his girlfriend remains calm. Despite this, they enjoy playing together.

Shamus has several accomplishments that are important to him. During school, he helped design part of an addition to Thomas Jefferson High School through Project Lead the Way. His work was later used in the building's constuction. As a teenager, he also donated money from art competitions to help the Boys & Girls Club in Council Bluffs pay its rent and remain open.

Shamus currently works at Douglas County Health Center, where he has worked for several years. His personal goals include getting his driver's license and earning his pension. Although he has experienced difficulties throughout his life, he believes people can still make their own choices and decide what kind of person they want to become.

Selected Images

The website will use ten unique images. Three photographs will appear on the Landing page to represent Shamus's accomplishments and goals. One portrait will appear on the About page, and six drawings will appear on the Hobbies page.

Landing Page – Accomplishments and Goals
